## *REACH*

### Regulation EC 1907 / 2006

### Certificate

We hereby certify that the formed foils supplied by SATMA PPC do not necessitate any Registration or any Notification as per Article 7 of REACH regulation EC 1907/2006.

Our products are articles within the meaning of REACH. They do not contain any substance intended to be released during normal and reasonably foreseeable conditions of use.

They do not contain any of the Substances of Very High Concern of the ECHA Candidate List (as of July 10, 2017) in excess of 0.1 % w/w, apart from boric acid that may be slightly present.

When present, boric acid is fully integrated in the oxide layer of our products and does not raise any specific Health and Safety issue under reasonably foreseeable conditions of use.
